WAW 2025

20th Workshop on Modelling and Mining Networks

30 JUNE–3 JULY 2025

VILNIUS, LITHUANIA

The aim of the workshop is to further the understanding of networks that arise in theoretical as well as applied domains. The goal is also to stimulate the development of high-performance and scalable algorithms that exploit these networks.

Plenary speakers

Marián Boguñá
Universitat de Barcelona

Gesine Reinert
University of Oxford

Konstantin Avrachenkov
INRIA
